FINANCIAL ASSISTANCE FOR EPISCOPAL DEACONS

**GRANTS FOR
DEACONS WHO
EXPERIENCE LOSS
OF INCOME OR
HOUSING DUE
TO A FEDERAL-,
STATE-, OR
LOCAL-DECLARED
EMERGENCY.**

The Fund for the Diaconate's Declared Emergency Grants Program began during the Covid-19 pandemic, as a means to assist Episcopal deacons who sustained a financial loss related to that public health emergency. Today, Declared Emergency Grants are available for any declared emergency.

A “**Declared Emergency**” is issued by the President, state, local or Indian tribal government leaders when a disaster is of such severity and magnitude that effective response is beyond their capabilities, and federal assistance is necessary. Declared emergencies can include floods, public health crises, hurricanes, wildfires, etc. (www.fema.gov)

Any Episcopal deacon who has been impacted by this type of emergency is eligible to apply for an Emergency Grant from The Fund.
